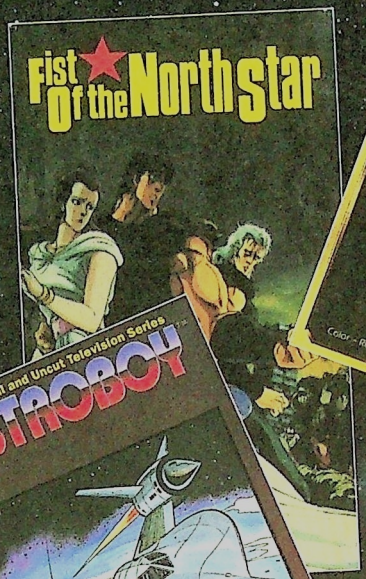
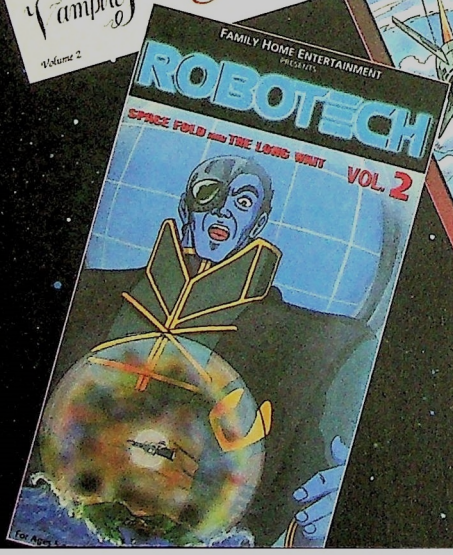
ANIME ARCHIVE™

JAPANIMATION





Introducing Anime Archive

This catalog is filled with anime and manga, or, for the uninitiated, Japanese animation and comics. Some of the best animation and comics work in the world today is being done in Japan, and the cream of the crop is brought into the U.S. by a number of different video and comics publishers.

Since the early 1980s, comics have accounted for 27% or more of the total books and magazines published in Japan. Over 1.5 billion comics are sold annually in a nation with a population half that of the U.S. In America, comic titles selling over one million copies are the exception, while in Japan such circulation weekly is the norm. In addition, over 30 animated TV shows are presented each week, and dozens of original anime videos (OAVs) are released each year. Clearly, cartoons and comics are a more widely accepted medium in Japan than they are here.

There are several reasons for the greater acceptance of comics in Japan. First, most Japanese comics are creator-owned or controlled, making for a continuity of story and an attention to quality not found in many company-owned properties. Stories are more self-contained. Second, the pacing of Japanese comics provides a more visual medium—the pictures are the story, unlike in American comics which are seen as overly wordy or mere extended fight scenes—which also makes them easy to turn into animated cartoons. Osamu Tetzuka, the father of Japanese comics, described his own efforts as an attempt to produce a modern hieroglyphic. Third, Japanese comics are targeted at all elements of the population, young and old, men and women.

Frederik Schodt's classic study of the Japanese comics boom, *Manga, Manga*, is recommended for anyone interested in finding out more about the phenomenon.

The popularity of Japanese animation ("Japanimation" to its fans and "anime" to purists) rivals that of manga. What is the attraction of these cartoons? Fred Patten of Streamline Pictures summed it up rather succinctly: "Basically, they're exciting and adventurous, while most American animation is still designed to pass approval by the watchdog groups who monitor TV programming for children. Japanese animation...is for fans of science fiction and horror movies such as *Star Wars, Aliens,* and *The Terminator.* Adults in their older teens, twenties, and thirties who feel that they have outgrown Saturday morning TV and Care Bears movies, but who still enjoy Marvel Comics and movies such as *Blade Runner, Die Hard,* and *Batman,* are finding that they can get these on Japanimation videos, where the animation medium permits spectacular special effects."

We have spared no effort to accumulate the largest selection of Japanese animation titles available anywhere. Nobody in the comics or video business has our selection—and we're adding to it all the time.

At a time in our society when understanding and respect for others is vital, Japanese comics and animation provide regular glances into aspects of Japan's culture. The fascination with manga and anime in America also points to the international, almost universal appeal of comics and animation as entertainment and as a mirror of society.

Here's How Anime Archive Works

If all the other Triclops could not stop the evil Kaiyun Wang 300 years before, what chance do our heroes have now? 30 minutes, in English. S.R.P.: $14.95.

TWILIGHT OF THE COCKROACHES

_____ 168753

How would it feel to be loathed like a cockroach? That's the question director Hiroaki Yoshida asks in this innovative satire, which combines live action and animation. This allegory on modern-day Japan traces the rise and fall of a cockroach kingdom in the home of Mr. Saito, where the roaches live a very good life and worship the human as a god, firmly convinced that the humans are their friends. The roaches blithely ignore dire warnings of impending genocide—until Mr. Sito brings home a clean freak girlfriend armed with Raid and Roach Motels. Director Yoshida hopes everyone will see a little of himself in the bugs who thought the high life would go on forever. Also available on LaserDisc; see below. This is the original Streamline Pictures edition. S.R.P.: $29.95.

ULTRAMAN: THE ADVENTURE BEGINS #UAV05

Akira Tsuburaya and Hiroshi Jinzenji, two of the top names in Japanese animation, present Ultraman, the ultimate superhero, who returns to the screen with the hardest-hitting crime-busting extravaganza ever. Follow his relentless pursuit of truth, justice, and freedom as he brings his brutal powers to bear in a desperate struggle against the dark forces of tyranny that threaten to enslave the planet. 86 minutes. In English. S.R.P.: $19.99.

URUSEI YATSURA

Loosely translated, URUSEI YATSURA means "Those Obnoxious Aliens." Based on the comic books by Takahashi Rumioko, the series was so popular in Japan that it spawned 196 half-hour TV shows, 11 OVAs, and 6 feature films. Anything can happen in these slightly risque slapstick comedies—and it usually does.

URUSEI YATSURA

URUSEI YATSURA Volume 1

_____ 181986

Episodes 1-4. The first eight stories of the TV series introduce the main characters. Ataru is forced to play a game of tag with Lum, a beautiful alien princess whose idea of *haute couture* is a tiger-striped bikini. If he loses, the aliens will foreclose on the planet. However, the aliens have neglected to mention that Lum can fly! You'll also meet Lum's fire breathing cousin Ten; her shape-changing ex, Rei; and Kintaro, a feisty little boy who carries an axe and rides a flying bear. And this is just the beginning! 100 minutes, subtitled. S.R.P.: $39.95.

URUSEI YATSURA Volume 2

_____ 185431

Episodes 5-8 of the TV series, eight short stories featuring aliens, alternate dimensions, and the supernatural. Included: *Sakura, Sexy Woman of Mystery; The Maddening Virus; Black Hole Love Triangle; Get a Load of the Little Devil!; I'm Scared of the Electric Shock!; The Puppets of Psychokinetic Malice; Neptune is Beyond My Closet;* and *The Screwed-up Dinosaur Age.* We're not even going to try to summarize them! S.R.P.: $39.95.

URUSEI YATSURA Volume 5

_____ 188481

Four episodes of the popular Japanese TV series, each containing two complete stories. Mendou's mysterious camera means more trouble for Ataru; Ataru trades his soul for the ability to excel; Ran, Lum's childhood friend, arrives with an avenging agenda, then tries to sucker Lum and steal Ataru; a diary that tells the future falls into the wrong hands—Ataru's; an alien baby takes up residence in Mendou's locker; the classroom becomes a battleground between warring sorcerers; *and* Cherry's lack of singing ability means big trouble for the gang. S.R.P.: $39.95.

URUSEI YATSURA Volume 6

_____ 193372

Four more installments of the TV adventures of "Those Obnoxious Aliens." Ataru splits not only his personality but his body as well; late night card playing leads to demented daydreams; Ataru's mother recaps the series so far in a half-hour special; the Electric Company enlists the gang in a set of public service announcements; a trip to the ancient capital of Nara pits Ataru against a gang of female Ninja; and Lum's impatient Dad decides to fix her up with another man. All this in a mere 100 minutes. Subtitled. S.R.P.: $39.95.

URUSEI YATSURA TV Volume 7

_____ 191778

More insanity in small, convenient packages, courtesy of Lum and her zany friends. This time, Ataru is kidnapped by mythological demons, the gang runs afoul of transmigratory earmuffs, a giant caterpillar runs amuck, and little Ten gets the hots for sexy Sakura. 100 minutes, subtitled. S.R.P.: $39.95.

URUSEI YATSURA Volume 8 #092-108

_____ 193372

Four complete episodes of the zany Japanese TV series. In *Dracula Flies,* the famous vampire chooses Lum as his victim. In *Lum's Boys Education,* she goes back in time ten years to cure Ataru of his flirtatiousness. *From the Gardenia with Love* finds Ataru and Ten growing potted plants to get the attention of a comely florist, with disastrous results. Finally, Ataru takes on an evil spirit of the rain to save a beautiful girl in *A Beautiful Girl Brings Rain.* 100 minutes, subtitled. S.R.P.: $39.95.

URUSEI YATSURA Volume 9 #AT092-209

_____ 199374

TV episodes 33-36, *Gimme Back My Horn!, Shocking Library—Quiet Please!, The Coming of Mr. Hanawa! (So This is Youth, Huh?,* and *Sad Goblin Lonely for People.* The four episodes of the thoroughly unique Japanese TV series include an unfortunate episode for the flying, fire-breathing Ten; a library disaster that threatens the entire world; a new teacher for Lum and Ataru; and the sad story of the goblin who lives in the swimming pool. 100 minutes, subtitled. S.R.P.: $39.95. Ships in August.

BLAST BOOKS

MR. ARASHI'S AMAZING FREAK SHOW #223-06-3 $10.95
_____ B 168563
Trade paperback.
This is a superb graphic novel by Suehiro Maruo. Set in a seedy traveling carnival freak show, this is the story of Midori, an innocent young girl tormented by Mr. Arashi's evil menagerie. The answer to her prayers arrives in the form of the Peter Lorre-esque Masmitsu, who does a reverse "Barbara Eden" by squeezing his squat form into a narrow-necked glass bottle. MR. ARASHI'S AMAZING FREAK SHOW is a superb, twisted exercise in comic "film noir" that should appeal to adventurous comic and horror fans. Blast Books has retained the Japanese right to left page format which adds to the exotic texture of the work, which is superbly translated from the Japanese by Yoko Umezawa and Laura Lindgren. B&W, 160 pages, 7" x 10".

PANORAMA OF HELL #233-00-4 $9.95
_____ D 114544
Trade paperback.
PANORAMA OF HELL was the first horror manga published in English. Artist/writer Hideshi Hino is the author of SHOCKING THEATRE, a 13-volume series of graphic novels. His personal favorite is PANORAMA OF HELL, the autobiography of a fiendish hell painter born in the aftermath of the bombing of Hiroshima, who creates images out of his own blood. Although this graphic novel has been translated into English, the format is Japanese (read back to front, right to left). B&W, 200 pages, 6" x 9"

Altogether, ***Urusei Yatsura*** consists of 196 half-hour TV Series episodes, 11 OVAs (Original Video Animations –short animated films released direct to video), and 6 animated Motion Pictures. Targeted at a young adult (14-30) audience, ***Urusei Yatsura*** (loosely translated:"*Those Obnoxious Aliens*") is the classic Japanese animated comedy. Created by one of Japan's most popular comic-book artists, **Takahashi Rumiko**, ***Urusei Yatsura*** is a slapstick risque comedy where anything can happen–and does!

Warning: due to high comedy content, the Comedian General strongly suggests that you do not eat or drink while watching Urusei Yatsura.
